QR 3 · AT THE END

Which table presented best?

safetyacademia.edu.ge/workshop/vote3.html

Scan, then vote for the table that presented best · One vote per phone · You can't vote for your own table

Judge on: a clear one-sentence outcome · covers both safety and the environment · practical: something a college could really use · clearly presented in the time given

Results appear when voting closes. Ties: facilitators decide. Every table gets a thank-you.
